JC20 Rec'd PCT/PTO 11 OCT 2005

25, 2005, and a Search Report of the European Patent Office dated October 18, 2004. Applicants respectfully request that the Examiner consider the listed documents and evidence that consideration of relevant portions thereof by making appropriate notations on the attached form.

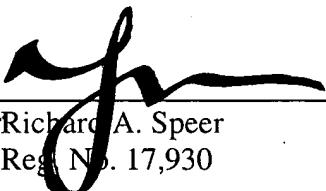

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed references are material or constitute "prior art." If it should be determined that the listed references do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed references, should one or more of the documents be applied against the claims of the present application.

If there are any fees due in connection with the filing of this statement, please charge the fees to our Deposit Account No. 13-0019.

Respectfully submitted,

By:
